

Aviation Explorer Post 62 2018 Schedule

May 26 (Saturday) - meet early to fly to Long Island for the Bethpage Air Show at Jones Beach

June 10 (Sunday 3:00PM) - meet at EHFC and walk over to take a look at the Thomas Morse Scout ("Tommy"), a World War I biplane made in Ithaca which is being restored by the Ithaca Aviation Heritage Foundation. It should be close to ready to fly on its 100th birthday.

July 8 (Sunday) - meet early to fly out to Eagles Mere airport in Pennsylvania.

August 18 (Saturday) - meet early to fly out to World War II reenactment in Ohio. Possible overnight?

September 14-16 (Fri-Sun) - the EAA's B-17 bomber "Aluminum Overcast" will be visiting Ithaca, and our Post will help out local EAA Chapter 811 with organizing rides and ground tours.

October 14 (Sunday - time to be determined) - field trip to an aircraft maintenance facility, either Penn Yan Aero's engine shop or David Jones' shop in Cortland.

November 11 (Sunday - meet at EHFC around noon) - Tour of Syracuse Air Traffic Control Tower (fly if weather's good, otherwise drive).

December 9 (Sunday 3:00PM) - Guest Speaker - Mike Newman on flying a light twin Piper Seneca from Ithaca to Morocco.
