#### What to send:

All contributions to the Digital Scrapbook will be gladly accepted free of charge. Digital formats, listed below in **bold**, are preferred.

**B/W photos, documents – Gray scale image files, 200-300 dpi, JPEG or TIFF format**

**Color photos, magazines, etc – 16 bit, 32 bit, or 64 bit color, 200-300 dpi, JPEG or TIFF**

**Audio and cassette tapes – Digital audio - MP3 or WAV format on CD-ROM or DVD.**

**Home movies and video tapes – Digital video, MPEG or RealPlayer format on DVD**

It is also possible to lend material to CT&I to be digitized. Please call before sending.

It takes time and money to convert documents, photos, films, audio cassettes, and video tapes to digital form. You can speed the process of getting your story included in the Digital Scrapbook of Southern Tier Technology by either providing digital originals (scanned images, digital audio and video) or by enclosing a tax-deductible donation of

\$20/inch thick stack of documents or photos, \$30/audio cassette, and \$40/video tape.

You will receive a receipt for your donation of memories, material, and/or money.

#### CT&I's mission is to:

document & present in context  
the inventions & industrial innovations  
of  
New York's Southern Tier.

The Digital Scrapbook of Southern Tier Technology houses CT&I's collection of stories of local industry. Please share your experiences to enrich the collective memory of the local legacy of creativity.

*Memories Matter* is made possible by a generous grant from the Virginia & Conrad Klee Foundation.

Sponsors of the Digital Scrapbook include:

Endicott Branch - Partners Trust Bank,  
The Gannett Foundation, The Hyde Charitable Trust, Johnson City Senior Center, Virginia & Conrad Klee Foundation, Stephen David Ross Fund for University & Community Projects at Binghamton University, & Visions Federal Credit Union.

*Thank you all!*
