

ATTENTION CUB SCOUTS!

JOIN US ON SATURDAY, JUNE 9TH, 2018

Tigers: Games Tigers Play Workshop 10:00am – 11:00am

Tigers will get moving with team building games! Then we'll learn about ways to stay healthy and active. Use your creativity to come up with an original game to play with the den and enjoy a nutritious snack!

Wolves: Code of the Wolf Workshop 1:00pm – 2:30pm

Numbers and nature collide as we play games, gather data, and identify math in nature while earning this adventure loop. We'll be inside and out exploring and observing as we make a rain gauge and crack the code with a cipher!

Bears: A World of Sound Workshop 3:30pm – 5:00pm

Get ready to rumble! Explore different instruments and make a few to take home and start your own Cub Scout band! Test them out for the whole den and make beautiful music.

Workshops are \$10/scout which includes museum admission, materials, and adventure loop. Additional siblings and parents must pay admission of \$7/person. Pack leaders are free.

Let The Games Begin Snooze June 9th 6:30pm – June 10th 8:30am

Carb load at dinner to prepare for a night of physical activity! Gear up for obstacle courses, team games, and scavenger hunts all night long with plenty of museum play! Then rest up in your favorite exhibit!

Snoozes are \$35/scout which includes Discovery Center fun badge patch, dinner, breakfast, and workshop. Pack leaders are free. \$8/additional adult. 20 scout minimum.

You must preregister by midnight Wednesday, June 6th
