

How It Works

Workshops

For: Tiger, Wolf and Bear scouts

Individual workshops for each scout level that meet adventure loop requirements

When: One Saturday every other month (alternates with Girl Scouts)

Cost: \$13/scout (includes museum admission, materials, and badge when available)

Minimum 8 scouts. Two pack leaders are free with each pack. Extra adults pay regular museum admission.

Scout Night 'til 9!

For: Tigers, Wolves, and Bears combined

Great for scout bonding! Receive dinner, private museum play, a themed workshop, and a DC Fun Badge!

When: Evening 6-PM-9PM after scheduled workshop days

Cost: \$30/scout.

Parents and Pack leaders free.

10 Scouts minimum so team up with other packs!
Program is for scouts only.

Sat. November 17th, 2018

Tigers

Tiger Bites Workshop

10:00am - 11:15am

Bring your appetite!

Learn how to make wise food choices as we try some fun finger foods!

Wolves

Adventures in Coins Workshop

12:00pm - 1:30pm

Become a coin

expert! Learn the meaning behind our currency through games then play in our A,B,&C bank!

Bears

Forensics Workshop

2:30pm - 4:00pm

Analyze your fingerprints!

Learn about chromatography!

See what a career in forensics looks like, detective!

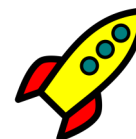

Scout Night 'til 9!

Blast Off! 6:00pm-9:00pm

After dinner explore the final frontier in our very star lab!

Make glow in the dark slime and orbit around the museum!

Sat. January 19th, 2018

Tigers

Curiosity, Intrigue, and Magical Mysteries Workshop

10:00am - 11:15am

Explore magic tricks, sign language, secret codes, and science while earning this magical loop!

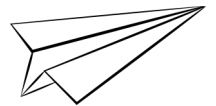

Wolves

Motor Away Workshop

12:00pm-1:30pm

What kind of paper airplane flies the best? Paper boat sails the best? Find out in this propulsion based workshop!

Bears

A World of Sound Workshop

2:30pm-4:00pm

Get ready to rumble!

Explore music from other countries and even make instruments from everyday objects.

Scout Night 'til 9!

Mad Scientist

6:00pm-9:00pm

Discover the science behind your dinner and then get ready for slimy and explosive science. Bring your lab coat and curiosity!
