

# Baden-Powell Council

## 2022 Friends of Scouting Campaign

The Friends of Scouting Campaign is an annual fund drive to reach out to community agencies, businesses and families of our scouts to secure support that offsets the costs of Scouting and services provided by the Baden Powell Council.

**Family Campaign:** each unit is asked to conduct a presentation for the 2022 year, sometime between December 1, 2021 and March 30, 2022. Presentations last less than 10 minutes and are best done at a function when most of the parents are present (Courts of Honor, Blue & Golds, Holiday Dinners, annual banquets etc.). We also ask that you chose a Unit FOS Coordinator. This person will serve as the point of contact within your unit for your FOS Presentation and receive updates about the Campaign.

Your ongoing support of the Friends of Scouting campaign continue to keep camp costs down, provide camperships, partially underwrite the costs of training and activities, and provide a multitude of other resources from the Baden-Powell Council. Thank you for helping us continue these services and expand the resources we can provide to your unit!
