TAUGHANNOCK DISTRICT AWARDS EVENT

MAY 25, 2023, at 7:00 p.m.

DRYDEN FIRE HALL

It's always good to have your efforts recognized by others. The Taughannock District holds an annual Awards Dinner to do just that.

Some awards, like training recognitions and Veterans' Awards, you'll need to apply for yourself. For other awards, like the District Award of Merit or Silver Beaver, you can nominate others.

There are also unofficial awards which our district invented to recognize special efforts on behalf of the Scouting program at the unit or district level, like the Patriot's Patrol or the 76'ers, among others which pop up from time to time. Recipients of these are determined by the District Recognition Committee or the District Key 3 - but suggestions are welcome. Surely there's someone in your unit who adds a spark to the unit's program and deserves a pat on the back - put them up for a Spark Plug Award! If you know someone you think would deserve one of these awards, nominate them!

Forms for all awards may be downloaded from the Recognition Page on the Taughannock District website [TCScouts.org](https://tcscouts.org) - click on "Advancement & Recognition" and scroll to "Adult Leader Awards", use the QR code at the right, or follow this link:

PLEASE ENCOURAGE ALL LEADERS IN YOUR UNIT TO ATTEND!

Questions may be directed to Recognition@TCScouts.org

Pop quiz: Many BSA awards come with knots to wear on your uniform.

How many of these knots do you recognize?
